

Insurance Claim Customer Experience Survey

We are university students conducting research to better understand people's experiences, challenges, and expectations when making an insurance claim.

This survey takes approximately 3–5 minutes. Your responses are anonymous and will only be used for academic purposes. There are no right or wrong answers.

* Indicates required question

1. Survey Introduction & Privacy Statement *

We are University of Auckland students conducting this survey as part of a university project to better understand people's experiences, challenges, and expectations when making an insurance claim.

This survey takes approximately 3–5 minutes to complete. Participation is voluntary, and you may stop completing the survey at any time before submitting your response.

The survey does not ask for your name, contact details, policy number, claim number, or other personally identifiable information. Please do not include any personal or sensitive information in your written responses.

Responses will be used only for academic purposes to identify general user needs, pain points, and patterns related to the insurance claim experience. Results will be analysed and presented in aggregated or anonymised form.

By continuing with this survey, you acknowledge that you have read the information above and voluntarily agree to participate.

Mark only one oval.

- ☐ Yes, I agree to participate
- ☐ No, I do not wish to participate
